# Memorandum

TO : D/OEL

DATE: 11 August 1965

FROM : DD/S&D

SUBJECT:

In a recent memorandum (Staff 122/65) [ ] described work in which the Air Force is interested [ ] and indicated that we would be welcomed at a meeting to be held at Andrews Air Force Base 1 August. Subsequently, I understand that [ ] attended this meeting and indicates that the Air Force is planning to ask one or more contractors for some definition of the kind of information they should be trying to obtain.

Commo has been doing work of this nature for some time, and I think that there may be some question of charter involved in having a number of agencies work in this area. [ ] mentioned yesterday morning in a conversation that he is going to Rome Air Force Development Center to discuss [ ] capabilities in this area. Do you have any guidance for the extent of our interest here?
